

# Mad River Township Trustees

Special Meeting: Tuesday, March 29, 2016, Meeting time: 7:00 pm

Trustees Present: Brent Laughman (President), Mike Ward (Vice President), Dave Riley

Fiscal Officer Present: Richard Ford

Others Present: 4 home owners in the Deer Creek Estates

Meeting called to order followed by Pledge of Allegiance.

## Community Discussion/Concerns

Mr. Laughman asked the community members present if they had anything to discuss with the Trustees. The residents said that the property owned by Dave Brown in the Deer Creek Estates has now gotten worse. He had initially piled up a 10 foot tall mound of wood chips that he dumped using the German Township Truck. Now the pile includes different types of junk like wood planks and metal scraps and even a coyote corpse. They asked the trustees to address the issue as it is getting worse. Trustees assured them that Bob Purk had addressed it with Mr. Brown and was pursuing other actions.

## Roads and Bridge

-Trustees discussed the road repairs and the different options. Vance Road crack seal was pended until we received an updated quote.
