Roads and Bridge

-Trustees discussed roads that need chip and seal.

Motion: Mr. Laughman motioned to have Stoney Creek Road and Rhodes Road chip and sealed by the County with an estimated cost of \$46,000. Mr. Riley seconded the motion. Motion unanimously approved.

-Mr. Laughman brought up possibly Bio-sealing Coffin Station Road. He said it was around \$0.70-\$.0.75 per square yard. The purpose of the product is supposed to seal the asphalt (once that project is completed) to help make it last longer. Estimate cost would be around \$7,000 to do Coffin Station.

-Mr. Goddard said he has had several complaints about the road signs keep falling down. He said he talked with the County and the supplier of the sign posts about the problem. The main issue is the posts are too thin and allow the signs to twist back and forth until it expands the hole they are mounted into and then they fall down. Trustees discussed the options to either replace or reinforce the existing posts. Mr. Goddard will check some additional pricing on 3# posts.
