Community Discussion/Concerns

-None

Roads and Bridge

-Mr. Laughman said he hasn't heard anything back from the consulting company on the ODOT grant.

Cemeteries

-Trustees discussed the current cemetery rates. Mr. Blake presented a sheet with other township rates from other townships in our County as comparison. No action at this time.

Equipment

-No updates

Zoning

-Mr. McGlaun updated that there was a nonconformance variance that the BZA will address next Wednesday Nov 10th. He said it was for a barn that originally was built along the roadway but now just the concrete foundation was left. The owner wants to build a building back on the concrete pad but had filing a building permit with the County and stated non-agricultural use on that application. Since it was for nonagricultural use, Mr. McGlaun referred him to the Board of Zoning appeals.

He said the BZA did grant the variance on the Arbogast property at the recent hearing.

Other Administrative

-No updates.

Motion: Mr. Riley motioned to adjourn at 7:49pm. Mr. Blake seconded the motion. Motion passed.
