## Community Discussion/Concerns

-Mr. Reed was present and asked about the brush growing up on Nettle Creek Road. Mr. Laughman said they are working on cutting it back now. He had started earlier today but more still has to be done.

-Mrs. Miller was present to get an update on the ditch area on Country Road that we had Pullins clean out. Trustees said Pullins still had some stumps to grind but were waiting in case the residents wanted them to pull the stumps instead since there was discussion about rerouting the ditch. Trustees recommended that she meet with Pullins to discuss any additional work that they might want as the township had already met its obligation.

## Roads and Bridge

-No updates

## Cemeteries

-Mr. Riley said he got a call from John Dooley from Myrtle Tree Church about steps going from their parking lot to Myrtle Tree Cemetery. Mr. Riley said the steps are not on the township property but go from the parking lot at the church to the Cemetery. He said the steps are in bad shape and need replaced or taken out. Mr. Riley will call him back and discuss an option to take out the steps which the township would help with but that the township had no interest in repairing the steps.

## Equipment
