Zoning

-Mr. McGlaun said we don't have anything in our zoning resolution that addresses fences so they are dealt with as "other structures". He received a call from someone in Westville that wants to put up a privacy type fence. He said Aaron Smith with the LUC recommended we adopt a policy regarding fences. Mr. Smith provided some examples from other townships. Trustees discussed the issues with not having rules in our zoning regarding fences specifically. Trustees agreed it would need to be addressed at some point but it would have to go through the whole process of updating the zoning resolution. No action taken at this time.

Other Administrative

-No updates.

Motion: Mr. Riley motioned to adjourn at 7:58pm. Mr. Blake seconded the motion. Motion passed.
