Roads and Bridge

-Mr. Laughman said he got a call from a property at 7309 Coffin Station. The owner wanted to put a culvert in the ditch so he can level his ground. Trustees agreed it would probably be ok as long as his culvert pipe would be the correct size to handle the water flow. Mr. Laughman will follow up with him.

Zoning

-Mr. McGlaun said he and the health dept went to the Matt Wiley property on Kite Road and he came to the door of the shed he's living in. Mr. McGlaun said the health dept put a condemned sign on the structure and he took a picture with Mr. Wiley and the condemned sign on the building. He's working with Jane Napier on a letter to use in the future if he continues to live there. Mr. McGlaun also told Deputy Sells who was at our meeting tonight about the issue.

-Mr. McGlaun said he got a complaint about the Uhl property on Country Road about junk vehicles on the property. Mr. McGlaun drove by the property to see if there is a violation but he said the vehicles were in the back of the property so he couldn't access them to see if they were licensed or not. He will try and follow up with Mr. Uhl.

Other Administrative

-Mr. Ford updated trustees that he worked with OTARMA to reduce the premiums that had gone up \$4,000. He was able to get it reduced by about \$2,500. \$1,500 is if we increase the deductible to \$2,500 for the auto.

Motion: Mr. Riley motioned to increase the insurance policy deductibles on auto to \$2,500. Mr. Brown seconded the motion. Motion passed unanimously.
