Cemeteries

-Trustees discussed the Cemetery bench headstone that appears to have been damaged by our mower. The foundation requested by the headstone company was smaller than the Bench legs which led to our mower bumping into the bench and resulted in one of the legs chipping off. Mr. Riley said the foundation company should be responsible since they ordered the foundation incorrectly. He asked Mr. Laughman to request the foundation company pay for the new bench and foundation. Mr. Laughman said Lasting Legacy will sell the same bench for \$2,215. The replacement foundation would be \$686.40. The township has a \$1,000 deductible. Mr. Laughman will talk to the foundation company about paying for the deductible.
