**MAD RIVER TOWNSHIP  
CHAMPAIGN COUNTY**  
Notes to the Financial Statements  
For the Year Ended December 31, 2025

**Note 1 – Reporting Entity**

The constitution and laws of the State of Ohio establish the rights and privileges of the Mad River Township, Champaign County, (the Township) as a body corporate and politic. A publicly elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance, cemetery maintenance, fire protection and emergency medical services. The Township contracts with the JSP Joint Fire District and German Township Fire Department to provide fire and ambulance services.

***Joint Ventures, Jointly Governed Organizations, Public Entity Risk Pools and Related Organizations***

The Township participates in a public entity risk pool. The organization is Ohio Township Association Risk Management Authority (OTARMA). Note 6 to the financial statements provides additional information for this entity. The Township's management believes these financial statements present all activities for which the Township is financially accountable.

**Note 2 – Summary of Significant Accounting Policies**

***Basis of Presentation***

The Township's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types.

***Fund Accounting***

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

***General Fund*** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

***Special Revenue Funds*** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

Road and Bridge Fund - This fund receives property tax money for constructing, maintaining, and repairing Township roads and bridges.

Gasoline Tax Fund - The gas tax fund accounts for and reports that portion of the State gasoline tax restricted for maintenance and repair of roads within the Township.

Motor Vehicle Fund - The motor vehicle license tax fund accounts for and reports that portion of motor vehicle license registration fees restricted for maintenance and repair of roads within the Township.

Permissive Motor Vehicle License Fund - This fund receives permissive motor vehicle license tax money to pay for constructing, maintaining, and repairing Township roads.

Cemetery Fund - This fund receives money from sales of Township Cemetery lots and charges for services to pay for maintaining the Township Cemeteries and services related to burials.

Fire and EMS Fund - This fund receives property tax money to pay for Fire and EMS protection services.

**MAD RIVER TOWNSHIP  
CHAMPAIGN COUNTY**  
Notes to the Financial Statements  
For the Year Ended December 31, 2025

Outside Road Fund - This fund receives property tax money for the general construction, reconstruction, resurfacing and repair of streets, roads, and bridges.

Street Lighting Fund - This fund receives tax assessment money to pay for street lighting in the unincorporated communities of Terre Haute, Thackery, and Westville.

Terre Haute Cemetery Donation Fund – This fund received a restricted donation for Terre Haute Cemetery use only.

***Permanent Funds*** These funds account for and report resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs (for the benefit of the government or its citizenry). The Township had the following significant permanent fund:

Cemetery Bequest/Memorial Fund – This fund receives interest earned on the nonexpendable donated money. These earnings are used for the general maintenance and upkeep of one small-specified cemetery, and flowers for specified graves to be place for memorial Day in the Township's cemeteries.

***Basis of Accounting***

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

***Budgetary Process***

The Ohio Revised Code requires that each fund (except certain custodial funds) be budgeted annually

***Appropriations*** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the function level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

***Estimated Resources*** Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

***Encumbrances*** The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2025 budgetary activity appears in Note 3.

**MAD RIVER TOWNSHIP**  
**CHAMPAIGN COUNTY**  
Notes to the Financial Statements  
For the Year Ended December 31, 2025

***Deposits and Investments***

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The Township values U.S. Treasury Notes and common stock at cost. Money market mutual funds are recorded at share values the mutual funds report. Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

***Capital Assets***

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

***Leases and SBITAs***

The Township has entered into noncancelable Subscription-Based Information Technology Arrangements (SBITA) contracts (as defined by GASB 96) for several types of software including contracts related to financial systems and various other software. Subscription disbursements are recognized when they are paid.

***Fund Balance***

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

***Nonspendable*** The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Township and the nonspendable portion of the corpus in permanent funds.

***Restricted*** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

***Committed*** Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

***Assigned*** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

***Unassigned*** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

**MAD RIVER TOWNSHIP  
CHAMPAIGN COUNTY**  
Notes to the Financial Statements  
For the Year Ended December 31, 2025

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 10.

The Township also has segregated accounts, which include clearing accounts and amounts with fiscal and escrow agents that are not part of this pool. A summary of the Township’s deposit and investment accounts are as follows:

<b>Cash Management Pool:</b>	
Demand deposits	\$49,171
Certificates of deposit	23,390
Total deposits	72,561
STAR Ohio	2,624,952
Total investments	2,624,952
<i>Total carrying amount of deposits and investments held in the Pool (ties to FS)</i>	\$2,697,513

The Township does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2025, the Township is holding \$0 in unremitted employee payroll withholdings.

**MAD RIVER TOWNSHIP  
CHAMPAIGN COUNTY**  
Notes to the Financial Statements  
For the Year Ended December 31, 2025

**Deposits**

Deposits are insured by the Federal Deposit Insurance Corporation; [or] collateralized by securities specifically pledged by the financial institution to the Township; or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

***Investments***

A financial institution's trust department holds the Township's equity securities in book-entry form in the Township's name.

Investments in STAR Ohio and mutual funds are not evidenced by securities that exist in physical or book-entry form.

**Note 5 – Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

**Note 6 – Risk Management**

***Workers' Compensation***

Workers' Compensation coverage is provided by the State of Ohio. The Township pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

***Risk Pool Membership***

Mad River Township is a member of the Ohio Township Association Risk Management Authority (The Pool). The Pool assumes the risk of loss up to the limits of the Mad River Township policy. The Pool covers the following risks:

- General liability
- Automobile Liability
- Automobile Physical Damage
- Public Officials Liability
- Property and Inland Marine
- Law enforcement liability
- Fidelity and Crime
- Employment Practices Liability
- Cyber Breach and Liability

The Pool reported the following summary of actuarially-measured liabilities and assets available to pay those liabilities as of December 31:

**MAD RIVER TOWNSHIP

Notes to the Financial Statements  
For the Year Ended December 31, 2025

2024

Cash and investments	\$ 32,822,076
Actuarial liabilities	\$ 12,568,762

**Note 7 – Defined Benefit Pension Plans**

***Ohio Public Employees Retirement System***

Most employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes these plan’s benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10% of their gross salaries, and the Township contributed an amount equaling 14% of participants’ gross salaries. The Township has paid all contributions required through December 31, 2025.

***Social Security***

One Township employee contributed to Social Security. This plan provides retirement benefits, including survivor and disability benefits to participants.

Employees contributed 6.2 percent of their gross salaries. The Township contributed an amount equal to 6.2 percent of participants’ gross salaries. The Township has paid all contributions required through December 31, 2025.

***Ohio Deferred Comp***

The Township also allows employees to put additional retirement income into the Ohio Deferred Compensation plan. The Township does not contribute to this plan. Ohio Deferred Compensation is a supplemental 457(b) retirement plan for all Ohio public employees and one of the largest 457(b) plans in the country. Deferred compensation has been the Program's only responsibility since 1976.

The Program is unique that it is a public, non-profit organization created by Ohio legislation. A 13-member Board, composed of public employees, retirees, and appointed investment experts, governs the Program as required by Ohio Revised Code Chapter 148. The staff manages and administers the Program with public employees' best interests in mind. External managers professionally manage the Program’s investment options. Investment options are selected and monitored by the Board and its independent investment consultant.

**Note 8 – Postemployment Benefits**

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans. OPERS offers a health reimbursement arrangement (HRA) allowance to benefit recipients meeting certain age and service credit requirements. The HRA is an account funded by OPERS that provides tax-free reimbursement for qualified medical expenses such as monthly post-tax insurance premiums, deductibles, co-insurance, and co-pays incurred by eligible benefit recipients and their dependents. For calendar year 2025, the portion of OPERS employer contributions allocated to health care was 0 percent for members in the traditional pension plan and 2 percent for members in the legacy combined plan. For 2025, the portion of employer contributions OPERS allocated to health care for members in the member-directed plan was 4.0 percent; however, a portion of the health care rate was funded with reserves.

**MAD RIVER TOWNSHIP  
CHAMPAIGN COUNTY**  
Notes to the Financial Statements  
For the Year Ended December 31, 2025

**Note 9 – Contingent Liabilities**

Amounts grantor agencies pay to the township are subject to audit and adjustment by the grantor, principally the federal government. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

**Note 10 – Fund Balances**

Included in fund balance are amounts the Township cannot spend, including the balance of unclaimed monies, which cannot be spent for five years and the unexpendable corpus of the permanent funds. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Debt Service	Capital Projects	Permanent	Total
Nonspendable:						
Unclaimed Monies						\$0
Corpus					20,900	20,900
Outstanding Encumbrances						0
<b>Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>	<b>\$20,900</b>	<b>\$20,900</b>

The fund balance of special revenue funds is either restricted or committed. The fund balance of debt service funds and capital projects funds are restricted, committed, or assigned. The fund balance of permanent funds that is not part of the nonspendable corpus is either restricted or committed. These restricted, committed, and assigned amounts in the special revenue, debt service, capital projects, and permanent funds would including the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

**Note 11 – Restatement of Fund Cash Balance**

The Township increased their beginning fund cash position at January 1, 2025 in the Gas Tax special revenue fund by \$47.64 due to an uncleared check from 2024 that was lost by the vendor and voided and reissued in 2025. The effect of the adjustment on beginning fund cash balance is reflected in the chart below.
